

Chester *Dining Chair.*

Inspired by the diverse tones of Aotearoa's West Coast landscape and guided by a dedication to simplicity, The Chester Dining Chair brings a modern flair to any setting. Its striking cantilever design infuses a touch of contemporary elegance, while the polished steel frame and soft leather seating create a sleek silhouette that stands the test of time. Elevate your living space with this statement piece, redefining it with contemporary sophistication.

FEATURES & FINISHES

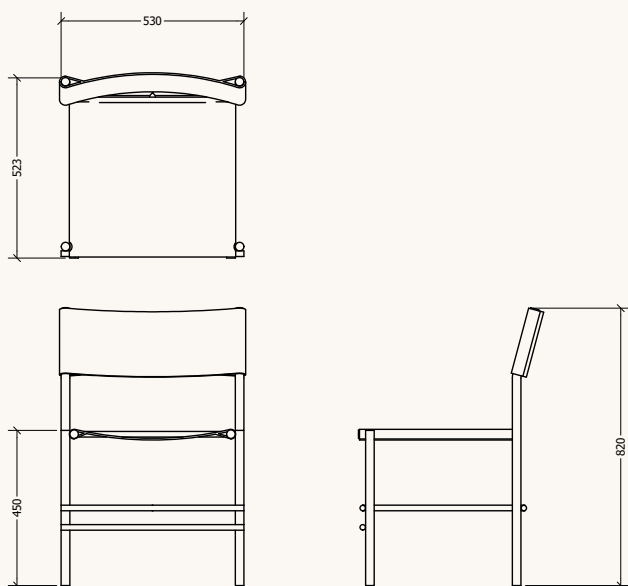

Chester features a polished stainless steel frame paired with leather sling seat & back.
