

## Morris Chair.

Drawing inspiration from the rugged allure of Aotearoa's west coast, the Morris Chair breathes new life into your space with its inviting walnut hue. Reflecting the timeless elegance of this legendary coastline, this chair brings a touch of nature indoors.

With its wavy, substantial base made from one piece of wood and strikingly shaped back, this chair captures attention as a timeless centerpiece in any room. Whether placed in the entryway, living room, or bedroom, its bold allure makes a lasting impression. The walnut finish of the timber frame infuses a hint of natural sophistication, effortlessly merging with any decor style for an elegant aesthetic.
